SUPPLEMENT TO COMMENTS IN DTV RULE MAKING

On December 28, 1999, Sierra Broadcasting Company ("Sierra"), the licensee of Station KRNVT(TV), Reno, Nevada, filed a Petition for Rule Making to substitute DTV Channel 9 for DTV Channel 34 originally allocated to KRNVT(TV). In response to the Petition, the Commission issued a *Notice of Proposed Rule Making* (DA 00-1796) on August 18, 2000 seeking Comments on the proposal. On October 10, 2000, the Stephens Group, the licensee of Station KOLO-TV, Reno, Nevada, filed a counterproposal proposing Channel 9 be assigned to KOLO-TV for DTV purposes and that Channel 7 be allocated to KRNVT.

Sierra, in its Reply Comments filed October 25, 2000, opposed the counterproposal principally on grounds that integrating Channel 7 onto a common antenna tower to be constructed in a joint effort with Station KTVN would raise significant technical problems and added expense.

Since filing its original Petition and responsive pleading, Sierra has sought additional technical advice on the proposed substitution of Channel 7 for Channel 9. The results of those engineering reviews has persuaded Sierra to reconsider its original position. Accordingly, this statement is being submitted on behalf of Sierra to formally notify the Commission that Sierra is willing to accept the substitution of Channel 7 as its DTV allocation.

Respectfully submitted,

SIERRA BROADCASTING COMPANY
